REACH Test

European Union legislation (1907/2006 / CE)

Chains in the Airport, Neyeture e Centro Style collections are certified according to the **REACH regulation**, which provides for the analysis of materials to verify that they **do not contain** chemical elements considered harmful to humans and the environment such as, for example, lead, cadmium, phthalates, formaldehyde, release of nickel.

The pack contains a guarantee card that advises the final customer that the products are **tested** and which informs them of their origin, as required by law.
