Welcome from OPTICA®

Optica continues to be proud to support independent optometry practices across New Zealand and Australia. Over the years we've come to understand the needs of independent optometrists and have focused on providing reliable accessories that add value where it counts.

Whether it's providing custom branded accessories, retail accessories, tools & parts, or simply being responsive and easy to deal with, our focus is on making your day-to-day just a little bit easier. This catalogue is shaped by decades of listening to our customers and delivering practical solutions that add real value to your business.

OUR PURPOSE

Optica exists to enhance peoples lives by developing quality products with minimal impact on the planet.

OPTICA® | **Trusted** by Independent Optometrists **for Over 50 Years**

The Value of Branded Accessories

Branded Accessories are a powerful tool that enhance brand visibility and memorability, especially in a competitive marketplace.

Customisation That Elevates Your Brand

At Optica, we turn everyday accessories into powerful brand assets. By adding your logo or message to cases, cloths, or pouch, your brand stays front of mind in your customers' daily routine, building recognition and reinforcing trust.

Premium Materials, Exceptional Finish

Our branded accessories are crafted with high-quality materials and advanced printing techniques, so they look great and last. From sleek, structured cases to high-performance cloths and reusable bags, every item reflects quality and consistency.

Made Easy, Backed by Experience

With over 50 years supporting independent optometry, we know what works. Our streamlined process, clear communication, and local support team make custom ordering simple so you can focus on your patients, not your packaging.
